Crisis Management

Police at your door?
Your business at a standstill?

Experienced support for business and personal crises.

Integrity. **Leadership.** **Commitment.**

Authorities & investigations

01 **Police or inspectors arrive**
Clarify requests on product registration, hygiene or residence, gather records and coordinate the response.

02 **A past file becomes urgent**
Reconstruct records and coordinate legal, tax and accounting advisers for economic police enquiries or old tax files.

03 **Someone is detained or imprisoned**
Coordinate qualified legal counsel, organise available information and support follow-up with the family or company.

Knowing the procedure

Knowing the procedures means knowing what to do, in which order and with whom. That practical experience helps us prepare the right documents, avoid unnecessary delays and move a difficult situation forward.

Ms. Trương M. Đ. Thư
Attorney at Law
Head of Legal and Compliance

LEGAL & WORKPLACE

Legal action & workplace crises

04 **You face legal action**
Organise case documents and deadlines, and coordinate qualified counsel in Vietnam or the countries concerned.

05 **An employment dispute escalates**
Organise employment records and coordinate labour-law counsel for employers or individuals in Vietnam or abroad.

06 **A workplace accident occurs**
Coordinate incident records, legal and insurance contacts, and follow-up for the employer and injured person.

The right response

Experience helps us choose the right response and avoid unnecessary expense. Involving professionals who know how to act helps control costs, prevent overreaction and keep a problem from escalating unnecessarily.

Ms. Phan T. T. Vy
Managing Director

When business *cannot move forward*

CORPORATE & FINANCIAL CRISES

10 **Your company needs restructuring**

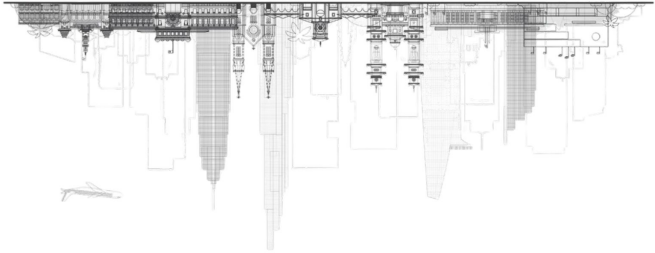

We coordinate legal, tax and accounting specialists to address the obstacles preventing your company from moving forward.

11 **Your assets are blocked in Vietnam**

We help resolve the corporate, financial and administrative issues preventing the release or transfer of assets in Vietnam, including blocked dividends.

Established in 2016, PCA has experience in complex international corporate restructuring and the release and transfer of blocked assets.

Local experience. Coordinated support.

PCA®

When the unexpected happens, PCA is by your side.

Inspections, lawsuits, employment disputes, accidents, burglary or a death can leave a business or family facing urgent decisions.

PCA helps establish priorities, organise records and involve the right specialists. We coordinate legal and administrative support in Vietnam and qualified counsel for matters involving other countries. We also help resolve outstanding issues and prepare before a crisis develops.
