Litigation

Ho Chi Minh City People's Court

Clear Strategy. Strong Defence.

Protecting your business and legal interests.
Representing clients across Vietnam.

Integrity. **Leadership.** **Commitment.**

Commercial Disputes

Protecting your business interests

When business disputes arise

A client stops paying. A supplier fails to deliver. A shareholder challenges a decision. We help you assess your position and pursue or defend a claim.

Clients & suppliers

Unpaid invoices, disputed payments, late or defective delivery, service failures and contract termination.

Shareholders & partners

Capital contributions, management control, voting and information rights, dividends, deadlock, share transfers and exit or buyback arrangements.

Civil & employment

Liability and compensation claims; remuneration, disciplinary measures and employment termination disputes.

A clear legal strategy

Review facts, contracts and evidence. Choose negotiation, mediation, arbitration or court proceedings; prepare the case and support settlement or enforcement.

Real Estate Disputes

Property matters throughout Vietnam

Experience across Vietnam

We have handled a substantial number of residential and commercial real estate cases, including disputes over land purchases and sales, and assist clients throughout Vietnam.

Property matter	Typical disputes
Purchase & sale	Sale agreements, deposits and payments
Transfer & handover	Transfer obligations and handover
Commercial leases	Deposits and payment disputes
Construction	Delays, defects, variations and handover

From assessment to resolution

We examine the transaction documents, chronology and obligations, assess the available evidence and advise on the appropriate route to settlement or proceedings.

Criminal Defence

Representation at every stage

We represent Vietnamese and foreign clients, with particular experience assisting foreign nationals.

Defence at every stage

Lawyer registration, evidence review, case preparation and questioning where permitted. Defence during investigation, prosecution, first-instance trial and appeal, including appeal grounds, deadlines and representation.

Serious criminal matters

Theft, fraud, violence, drug-related and sexual offences. Formal liaison with police, investigators, prosecutors, judges and court staff through procedural channels.

Detention & prison support

Coordination with detention and prison administrations on attorney access, case documents, health and welfare requests, and authorised visits. Assistance with family visit applications and identity and relationship documents.

Families & consular coordination

Updates for authorised relatives; coordination with embassies and consulates on communications and visits. Translation and interpretation to support understanding of documents and proceedings.
